

*Come to Me, all who labour  
and are heavy burdened,  
and I shall give you rest.  
Take up my yoke and learn from Me,  
for I am meek and humble of heart.  
And you'll find rest for your souls.  
Yes, my yoke is easy my burden is light.*

The Lord is my Shepherd,  
I shall never be in need.  
Fresh and green are the meadows  
where He gives me rest.
