

Father, we come to You,
God of all power and might.
Show us Your glory: give us Your life.

*Father, we come to You,
God of all power and might.
Show us Your glory: give us Your life.*

You have united us,
bound us in love and peace:
God in the midst of us, holy, unseen.

*Blessed is He Who comes,
piercing the night of sin.
Open your hearts to Him.
Great is His name.*

Bread of life shared with us,
body of Christ the Lord,
broken and died for us: life for the world.

*Father, we come to You,
God of all power and might.
Show us Your glory: give us Your life.
Blessed is He Who comes
piercing night of sin.
Open our hearts to You: great is Your name.
Open our hearts to You: great is Your name!*
