

Give praise to the Lord, One and all, *alleluia!*
O praise the Name of the Lord, *alleluia!*
Bless'd be the Name of the Lord, *alleluia, alleluia!*

Now and evermore.
From dawn to the close of day.
Bless'd be the Name of the Lord.

On high, above the earth is the Lord,
His glory above the sky.
There is none like the Lord our God.

Enthroned in heaven on high.
He views the earth and the sky.
To those in need He gives His help.

From the dust He raises the poor.
He makes them sit among kings.
Among the kings of the earth.

Behold the barren wife.
Now abides in her home.
As the happy mother of sons.

Let us sing to the Lord.
Singing glory and praise.
Both now and evermore, Amen.
