

*God, our fountain of salvation,  
renew the spring of Your life in us.  
In living water wash away our sin,  
that we may come to You in holiness,  
God, our fountain of salvation.  
God our fountain of salvation.*

Truly God now is my Saviour.  
I have trust, I will not fear.  
God my song, God my salvation.  
God alone my pow'r and strength!

Draw with joy from wells of salvation.  
Praise the Lord, call on God's name.  
What God does, tell all the nations:  
God has done great things for us!

Sing out loud praise for God's wonders,  
let the whole world hear the news.  
Shout and sing people of Zion:  
God the holy, God with us!
