

I watch the sunrise
lighting the sky,
casting its shadows near.
And on this morning
bright thought it be,
I feel those shadows near me.

*But You are always close to me
following all my ways.
May I be always close to You
following all Your ways, Lord.*

I watch the sunlight
shine through the clouds,
warning the earth below.
And at the mid-day life seems to say:
'I feel Your brightness near me.'

For You are always ...

I watch the sunset
fading away,
lighting the clouds with sleep.
And as the evening closes its eyes
I feel Your presence near me.

For You are always ...

I watch the moonlight
guarding the night,
waiting till morning comes.
The air is silent, earth is at rest
only Your peace is near me.

Yes, You are always ...
