

*It is good to give thanks to Your name, O Lord,
and to honour Your ways.
It is good to give glory to You, Most high,
so we lift our voices in Your praise.*

We proclaim Your love from daybreak,
from the first light of the sun.
Faithfully You guard Your people
all through the night.

Praise Your name for all creation,
for Your deeds we give You thanks.
Great and true, Your wondrous achievements
by Your own right hand.

All of our days we sing Your praises
Your great wisdom we acclaim.
Deep Your thoughts, the fool cannot know them.
Praise Your Holy Name.

In Your house, to give You glory,
forever we will sing:
to proclaim that Yahweh is faithful,
our God, our King.
