

Jesus, Lord, I'll sing a song
that's soft and low for You,
so You can join with me and sing it too.
You have said that when we pray,
then You are praying too,
and when Your Father hears us,
He hears You.

Our Father, Who art in heaven,
hallowed be Thy name,
hallowed be Thy name.

I believe that You are here
with me and praying too.
Your Father loves me because I love You.
Jesus, Lord, I'll sing a song that's
soft and low for You,
so You can join with me
and sing it too.
