

Lead me, guide me along life's way.  
If I should stumble, Lord, send a helping hand.  
Love me, lead me through the trials of life;  
and with my friends, Lord, teach us to understand  
that You have all things in Your mighty hands.  
Take me and fold me in Your loving arms,  
on the day when I come home.  
Take me and fold me in Your loving arms  
then I shall be Yours for ever.
