

Mother of our Lord, we greet you;
we have come to pray and be with you.
All our hopes and dreams we bring you.

*Look on us with love, console us,
lay your gentle hands upon us.
Lend us to your Son, our Brother,
Mary Queen of peace, our Mother.*

Mother of the church, we seek you;
in these final times our evening star;
purify our hearts, embrace us,
faithful to God's Word, sustain us.

Mother of the world, we praise you
here upon the earth you show your face:
holy is the place we find you,
joyfully in song proclaim you.

Mother of our lives, we thank you,
You bestow your love on each of us.
Faithful we will be to Jesus,
Mary, full of grace, stay with us.
