One more step along the world I go, one more step along the world I go. From the old things to the new keep me travelling along with You.

And it's from the old I travel to the new Keep me travelling along with You.

Round the corner of the world I turn, more and more about the world I learn. All the new things that I see You'll be looking along with me.

As I travel through the bad and good keep me travelling the way I should. Where I see no way to go You'll be be telling me the way, I know.

Give me courage when the world is rough, keep me loving through the world is tough. Leap me sing in all I do, keep me travelling along with you.

You are older than the world can be, You are younger than the life in me. Ever old and ever new, keep me travelling along with You.
