

Our Saviour Jesus Christ proclaimed
that when we gather in His name
He would be there to love and guide,
lead us toward the Father's side.

*Our hearts are longing for You, Lord,
give us the faith to trust Your word.*

He told us, 'Ask, you will receive,
seek and you'll find if you believe.
Knock at the door of love and truth
and we shall open it for you.'

His hands brought healing to the blind,
His words brought ease to troubled minds.
He said His friends could do the same
by invocation of His name.

He came to earth in form of man
to give to us His Father's plan.
We are the branches, He the vine,
we too can share His life divine.
