

*Praise the Lord, and sing hallelujah,  
hallelujah, hallelujah.*

Praise Him for the sun and  
for the stars above,  
hallelujah, hallelujah.  
Praise Him everybody  
for He is the God of love,  
hallelujah, hallelujah.

Praise Him when you're happy,  
praise Him when you're sad,  
hallelujah, hallelujah.  
He's the God Who saves us  
and His message makes us glad,  
hallelujah, hallelujah.

Praise Him in the morning,  
praise Him in the night,  
hallelujah, hallelujah.  
Praise Him in the thunder  
for He is the God of might,  
hallelujah, hallelujah.
