

Send forth Your Spirit, God our Father,
as You have sent Him in the past:
at Gabriel's word, by Jordan's water,
as Jesus went to pray and fast.

In this same Spirit He proclaimed You
on Juda's hills, by Galilee,
He called us to Your heav'nly kingdom,
He died and rose triumphantly.

And now though seen by us no longer
He rests not from the task begun,
but breathes the Spirit of His Sonship,
on men of ev'ry race and tongue.

May He be with us at this moment
and give us of Your Spirit still,
that we may do the work that waits us
and strive Your purpose to fulfill.

May all who come for confirmation
be richly with Your Spirit dealt:
to love and serve You in their brothers,
until Your glory is revealed.
