

Show me Your ways that I may follow You,
lead me, O Master, on my way.
Guide me in all the things that I must do,
direct my steps that I don't go astray.

*In You I place my confidence and trust,
O Lord, have Your way with me for I am Yours.*

Guard me when temptation calls on me to sin.
Protect me when the enemy is near.
Strengthen me to turn to You that I may win,
and bless me, Jesus, that I persevere.

*The spirit's willing but the flesh is weak, O Lord.
But Your support is all I'll ever need.*

Show me Your ways that I may follow you,
lead me, O Master, on my way.
Guide me in all the things that I must do,
direct my steps that I don't go astray.
