

The Lord is my Shepherd
He provides all I need
in the rich grassland,
where He lets me feed.
He brings me to water
my life to renew.
He guides me on true paths
because He is true.

I walk through the darkness,
with nothing to fear;
His right hand protects me
when danger is near.
He lays me a table
in sight of my foes.
He fills me with gladness,
my cup overflows.

Each day He is goodness,
each day He's my sing.
I live in His household
the whole of life long.
The Lord is my Shepherd.
He provides all I need
in the rich grassland,
where He lets me feed.
