

*The Spirit is moving all over,
all over this land.*

People are gathering, the Church is born;
the Spirit is blowing on a world reborn.

Doors are opening as the Spirit comes;
His fire is burning in His people now.

Filled with His Spirit we are sent to serve;
we are called out as brothers, we are called to work.

The world, born once, is born again;
we recreate it in love and joy.

Old men are dreaming dreams;
and young men see the light.

Old walls are falling down;
and people are speaking with each other.

The Spirit fills us with His power
to be His witnesses to all we meet.

The Spirit urges us to travel light,
to be people of courage Who spread His fire.

God has poured out His Spirit
on all; on all creation.
