

The gift of the Holy Spirit  
is the gift of God's great love.  
To us comes the touch of healing  
from the God of heaven above;  
joy and strength for our daily living,  
trust and love for the work of giving,  
and the spirit of true forgiving each one.

Anointed, we are Christ's witness  
in the walk of life each day,  
a comfort and light to others  
Whom we meet along the way.  
We will cherish Your life within us,  
show the mercy You show to sinners,  
by Your suffering, You chose to win us from death.

Thanksgiving we bring, and honour,  
to the Father and the Son  
and, with them, the Holy Spirit,  
God for ever, Three in One.  
Praise and glory we give and blessing,  
one faith, one in truth confessing,  
one in love in Your all-embracing design.
