

You are the Lord, You are the Lord,
You are the Lord of creation, You are the Lord.
You are Master of ocean and sky,
and all earth bow in adoration.

*O Lord, as we gather before You
to adore You and Your mercy proclaim,
we give thanks, Lord, for the love that You show us,
for You know us, You have called us by name.*

You are the light, You are the light,
You are the light for the nations, You are the light,
shining brightly throughout every land
to end the darkness of sin and suffering.

You, Who are love and compassion,
You Who are love and compassion,
in Your likeness we have all been made.
Help us to carry each other's burdens.

You are the hope, You are the hope,
You are the hope of Your people, You are the hope,
for Your world holds the promise of peace
for all who follow the path of justice.
